The number of races may by and large be restricted to a maximum of 8 (eight) on all Race Days. While dividing races, races with the maximum number of acceptors will be divided first. Should a horse become eligible after the closing of the entries; the horse can be entered on date and time the entries for the Day close.

(l) The accepting of entries for all races advertised in this Prospectus is subject to the following two conditions, namely

(i) That the Stewards reserve the right in connection with any race or races, should the conditions existing at any time so warrant, to cancel at their absolute discretion any race or races at any time before the actual running of the race or races, and

(ii) The Stewards reserve the right in connection with any race or races, should the conditions existing at any time so warrant, TO REDUCE AT THEIR ABSOLUTE DISCRETION, THE AMOUNT/S OF THE PRIZE MONEY, entrance, forfeits and any other fees advertised to such extent as they may think fit before the closing time fixed by them for accepting the entries.

If the Stewards decide to cancel and/or alter a race with contribution towards stake on account of non-payment of the contribution agreed to by the concerned contributor, the Stewards shall be entitled to reduce the stake money for the concerned race, as they may in their discretion deem fit under the circumstances.

(m) Special attention is drawn to Rule 41 (g) of the Rules of Racing, which reads as follows: -

Ltd Rules, the entries of such horse will be void unless an application for re-rating is received and the horse is rated prior to the closing of Final Entries for the race for which it is entered.

(d) In the event of a horse having raced at a Meeting other than under R.W.I.T.C., Ltd Rules of Racing subsequent to having been handicapped under R.W.I.T.C. Ltd Rules, such horse shall be withdrawn from the race even after it having been accepted or declared to start.

(e) All Trainers are hereby informed that a race for which entries have closed, no change in Class with rating will be permitted at the request of the Owner/Trainer to enable that horse to be entered.

3B. Foreign rigs are not permitted to run in races at Mumbai and Pune. Re: Foreign Geldings, attention is drawn to the Notice published in the Racing Calendar, which reads as follows:-

In all handicap races, unless the terms of the race specify otherwise, when the top weight exceeds 59 kg, (the lowest permissible top weight) and the bottom weight is above 50 kg, the weights will be lowered at Handicap

stage to the extent where the bottom weight does not go below 50 kg. In case there is a horse handicapped at 50 kg the weights would not be lowered.

5. No entry will be received for any race except upon condition that it is subject to the Rules of Racing of the Royal Western India Turf Club, Ltd., and the General Conditions as published in this Prospectus and that all disputes, claims and objections arising out of such entry and/or the start and/or the running and/or the result of the race as in all other races under the Rules of the Club shall be decided by the Stewards and that their authority shall be supreme and their decision shall be final and shall not be liable to be questioned in any Court of Law.
