Entries of any horse for which application for re-rating has not been received, may be refused or cancelled.

(c) In the event of a horse having raced at a Meeting other than under the R.W.I.T.C. Ltd Rules of Racing subsequent to its having been entered for a race under R.W.I.T.C. Ltd Rules, the entries of such horse will be void unless an application for re-rating is received and the horse is rated prior to the closing of Final Entries for the race for which it is entered.

(d) In the event of a horse having raced at a Meeting other than under R.W.I.T.C., Ltd Rules of Racing subsequent to having been handicapped under R.W.I.T.C. Ltd Rules, such horse shall be withdrawn from the race even after it having been accepted or declared to start.

(e) All Trainers are hereby informed that a race for which entries have closed, no change in Class with rating will be permitted at the request of the Owner/Trainer to enable that horse to be entered.

3B. Foreign rigs are not permitted to run in races at Mumbai and Pune.

Re: Foreign Geldings, attention is drawn to the Notice published in the Racing Calendar, which reads as follows:-

“Owners and Trainers are informed that horses imported into this country not as entires but as geldings are not eligible at all to be entered for and to run in any race in Mumbai or Pune in accordance with the terms of the License to Race granted by the State Government.

Horses imported into this country as entires but subsequently gelded will however be permitted to be entered for and to run in races for which they may otherwise be eligible except such races by the conditions whereof they are expressly precluded from doing so.”

Imported horses coming to race in Western India as per the existing conditions should have licence from the government authorities in India specifically to participate in races.

4(a) A horse may be transferred by the Handicapper from one Class to another in accordance with Rule 81, Rules of Racing.

(b) In all Handicaps, the lowest weight to be carried shall not be less than 49 kg, excluding the allowance that a Jockey may claim. However, the handicaps may be framed down to weights below 49 kg.

In all handicaps, the minimum top weight to be carried shall be 59 kg, though the Handicapper may handicap horses higher than this minimum top weight as per their ratings, weights shall be raised up to 59 kg only (unless specifically provided otherwise) in the event the top weighted acceptor is below 59 kg.

In all handicap races, unless the terms of the race specify otherwise, when the top weight exceeds 59 kg, (the lowest permissible top weight) and the bottom weight is above 50 kg, the weights will be lowered at Handicap stage to the extent where the bottom weight does not go below 50 kg. In case there is a horse handicapped at 50 kg the weights would not be lowered.

5. No entry will be received for any race except upon condition that it is subject to the Rules of Racing of the Royal Western India Turf Club, Ltd., and the General Conditions as published in this Prospectus and that all disputes, claims and objections arising out of such entry and/or the start and/or the running and/or the result of the race as in all other races under the Rules of the Club shall be decided by the Stewards and that their authority shall be supreme and their decision shall be final and shall not be liable to be questioned in any Court of Law.
